

JAZZ:

Jazz is a relatively new style of dance it consists of leaps, tricky techniques and body pumping! Students that attend jazz will learn brand new skills and dances in-groups and independently. We offer a range of jazz lessons for students of all ages & abilities.

BALLET:

Ballet dance is a very formal and strict style of dance. Ballet has become a highly technical form of dance with its very own French vocabulary and it is typically performed to classical music. In order to become proficient at ballet dance, one must be extremely dedicated to the art and diligent in regard to practice and rehearsal time.

PERFORMING ARTS:

Our popular Performing Arts lessons combine drama, dance and singing which when choreographed together create pieces of musical theatre. Students will learn scenes from famous musicals such as Chicago, Mary Poppins & Matilda! Additionally, students are given the opportunity to create their own pieces of theatre using music, props and effects and practise their acquired skills. We strive to re-create scenes with acting, singing and dancing combined along with set, props and extraordinary costumes to really set the scene and inspire students to dive into the amazing world of theatre!

SINGING:

Each lesson consists of short singing exercises, breathing techniques and tongue twisters. Students have the opportunity to follow the Rockscool (exam board) syllabus if the student is wishing to take exams from level 1 all the way to level 8. Each student will feel more confident after each lesson and will be encouraged to take part in local events and showcase their talent. We offer regular private singing lessons and to suit the individual both of which can be for one hour or just half an hour.

STREET:

Street dance is used to describe all the hip hop and funk dance styles that began appearing in the United States since the 1970s. Most of these styles such as breakdance, popping, locking and hip hop are still alive and evolving within the hip hop culture of today, and are seen regularly in music videos. Classes are creative and blend original hip-hop styles fused with modern commercial moves to the latest hip-hop controversial beats!

TAP:

Tap dance is a form of dance, characterised by using the sounds of taps shoes striking the floor as a form of percussion. Two major variations on tap dance exist: rhythm (jazz) tap and Broadway tap. Broadway tap focuses on dance; it is widely performed in musical theatre. Rhythm tap focuses on musicality, and practitioners consider themselves to be a part of the Jazz tradition.

ACRO:

Acro dance is a style of dance that combines classical dance technique with precision acrobatic elements. It is defined by its athletic character, its unique choreography, which seamlessly blends dance and acrobatics together by using tricks and difficult positional shapes. Acro dance is known by various other names including acrobatic dance and gymnastic dance, though it is most commonly referred to simply as Acro by dancers and dance professionals.

CONTEMPORARY:

Contemporary dance is a genre of dance that developed during the mid-twentieth century and has since grown to become one of the dominant genres for formally trained dancers throughout the world. Although originally informed by and borrowing from classical, modern, and jazz styles, it has come to incorporate elements from many styles of dance. Due to its technical similarities, it is often perceived to be closely related to modern dance, ballet, and other classical concert dance styles.

FRANKS CREW/FRANKS SQUAD:

This is just the title of the class but it is essentially a street class and the 2 sessions are defined by age and ability of the student.

MINI STEPS/ADVANCED MINI STEPS:

This is just the title of the class but it is essentially a mixed style class that can vary from term to term and again the 2 sessions are defined by age and ability of the student. It is made up of students who are aged 3-6 & 7-10 and are still exploring all styles before deciding where to advance their training.
